The gross revenue of the State calculated on the average of the last five years is Rs. 49,11,772/-. A tribute of Rs 2,28,920/- is paid to the British Government. A sum of Rs. 14,397/13/- (local Jaipur Coin) is paid as tribute through the state by the 8 Kotries which are under the suzerainty or administrative control of the Kotah Darbar and form part of the Kotah State. A sum of Rs. 866/12/- is received from Khilchipur State on account of "Huzzatwasul" or "Karar Dad" and a sum of Rs. 902/2/4 on account of Tanka from Rajgarh State.

Hadas and Hadoti.

Kotah is a Chauhan Hada State and occupies an important position in the Hadoti or Hadawati, the land of the Hadas.

The Chauhans are one of the most illustrious of the 36 royal races of India, and among their 24 Shakhas (Branches) the Hadus are the most important. They trace their descent from the Chauhans of Bambauda, who were an offshoot of the Imperial Chauhans of Ajmer. Rao Dewa, one of the descendants of the Bambauda line of rulers founded the town of Bundi in 1342 in the Bando pass.

Kotah came into existence as a separate state about 1676 (Vikram Era) under Madho Singhji, the second son of Rao Ratan of Bundi. Madho Singhji obtained this royal favour in return for the good services he had rendered in the campaign which forced the Imperial Prince (afterwards the Emperor Shah Jahan) to flee from Burhanpur. Bhim Singhji, the sixth ruler of Kotah, who reigned from Samvat 1764 to 1778 considerably extended the boundaries of the State and was the first chief who assumed the title of Maharao with the rank of (Puni Hazari) conferred on him by

Zalim Singh, made the first treaty in Rajputana with the British Government on behalf of Kotah and succeeded in getting a supplementary article added to the said Treaty by which the administration of the State was to be vested in Zalim Singh and his heirs and successors as hereditary Dewans. When, however, Maharao Ram Singhji succeeded his uncle, Kishor Singhji, in A.D. 1828, disputes arose between him and his then minister, (Dewan) Madan Singh, the grandson of Zalim Singh, and in the year 1838 A.D. the Government of India, seeing that arrangement of hereditary ministry was no more workable, decided to separate 17 districts from the Kotah State to be formed into a new principality, named Jhalawar, which was bestowed on Raj Rana Madan Singh, his heirs and successors.

The present Maharao Sahib Bahadur His Highness Colonel Sir Umed Singhji II G.C.S.I., G.C.I.E., G.B.E., LL.D who was born on the 15th September, 1873, and succeeded to the Gadi by adoption, in the year 1889 A.D. on the death of Maharao Shri Shatrusalji, is the Seventeenth Ruling Prince of his family and is in his 67th year. On the death of his first wife, the eldest daughter of His Highness the Maharana Sahib of Udaipur, the head of Shisodias, His Highness married the daughter of His Highness the Maharao Sahib of Kutch, of the Jarecha clan of Rajputs. She also died on the 17th July 1933. During her life time His Highness was married to the present Maharani Sahiba, sister of the Thakur of Isarda, a Kachhwaha Jagirdar of Jaipur. She is the mother of Maharaj Kumar Shri Bhim Singhji Sahib Bahadur, born on the 14th September 1909.

Under the benign rule of His Highness the present ruler, the State has made considerable progress. In the year 1899, 15 out of the 17 districts which had been separated to form the principality of Jhalawar were restored to Kotah. Roads and communications have been vastly improved and extended. The G.I.P Railway Branch from Goona via. Baran joins at Kotah the main line of the B. B. & C. I. Railway. British coins and weights have been introduced. Postal unity was introduced with the Post Offices in British India. A revised Land Revenue Settlement has been made. All departments have been reorganised and strengthened. Dispensaries have been opened all over the State, and education has made and continues to make satisfactory advancement. Among the numerous Raj buildings round about the city of Kotah, the Umed Bhawan Palace, is a building of remarkable beauty. Among other public works of special importance, are the Raj Bhawan, Guest House, the Crosthwaite Institute, the Military lines, the Herbert College, the Raghunath Hostel, the Power House and the Water Works outside the city wall; while within it are the Wyllie Memorial, Her Highness Shri Maharani ji Sahiba's Girls School and the City Hospital in the Rampura Bazar, all having sprung up during the rule of the present Maharao Sahib Bahadur.

31. *Political activities* :— The Kotah Congress Committee continued to function during the year without attracting much public attention. There has not been any appreciable increase in the number of its membership. The Gandhi Jayanti, the Independence Day and the Jalianwala Day were celebrated by the Committee, but with little response from the public. The Congress Committee at Ramganj Mandi is mostly a students' affair with little influence on the public.

The Fifth Annual Session of the organisation known as the Kotah Rajya Praja Mandal was held on the 21st, 22nd, 23rd June, 1940, at Kotah, with Abhinna Hari in the chair. Of these 1,952 cases, 170 were, on investigation, found to be false and were expunged. The increase in the number of crimes, the Inspector General of Police reports, is due to the scarcity conditions prevailing within and without the State and the influx from outside of about 80,000 famine-stricken people, who are responsible for about 200 crimes.

39. *Murder* :— 9 cases of murder as against 9 of last year were reported during the year under review. Of these, one case was found to be a case of suicide and one remained untraced. 42. *Cattle-theft* :— 255 cases of cattle theft were registered during the year under report as against 182 in the last year. Of these, 21 were expunged as false, 72 challaned, and 104 remained untraced. Final report for want of evidence was submitted in 25. No investigation was undertaken in 2 at the instance of the complainant, and 31 are pending investigation at the close of the year. The total amount of property stolen in all the above cases was valued at Rs. 42,254/15/6, out of which property worth only Rs. 15,422/11/6 was recovered, which is not every satisfactory.

44. *Escape from Custody* :— 5 cases as against 4 in the last year were registered under this heading. 4 accused persons were challaned of whom 3 were convicted. One was given the benefit of section 83 I. P. C. and one case was dealt with under section 512 Cr. P. C.

The Inspector General of Police reports that the value of stolen property, notwithstanding a bad year, is less than the value of stolen property during the last year. This is true so far as it goes, but the fact that not even 50 per cent. of the property stolen has been recovered is can hardly be a matter of credit for the Police.
